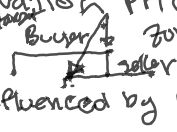
① Negotion process

a.) investigation → b.) Determine your BATNA → c.) presentation → d.) Bargaining → e.) Closure

1.) Reservation Price ← BATNA impacts this
→ walk away point

2.) ZOPA



Zone of possible agreement
Best Alternative to a negotiated Agreement
How influenced by BATNA

3.) What Congruent, Distributive, integrative issues

Identical preferences

0	0
100	100

opposing pref (win, lose)

100	0
0	100

opportunities for trade off created when each side cares more about different issues (win, win)

vs

20	0
0	100

---

② Onboarding and early turnover

1.) New Hire Break even ~~1 2 3 4~~ 3 month Break even

2.) content & tactics of onboarding

a.) Preboarding → b.) Orientation → c.) Foundation Building → d.) Maintaining a buddy system

what to make sure ppl know

1.) What are my strengths invest in strengths

2.) What is my role? ↓ time to performance

3.) Who are partners? Help develop Social Network

4.) What do we believe? Help culture

5.) What's my future

③ Socialization Tactics

Consistent Mindset
- collective
- Formal
- Sequential
- Fixed
- Serial
- Divestiture

Idiosyncratic Mindset
- individual
- informal
- Random
- Variable
- Disjunctive
- investiture

④ two major obstacles in training

general principles to training design & training eval.

Performance = Motivation × Ability × Environment

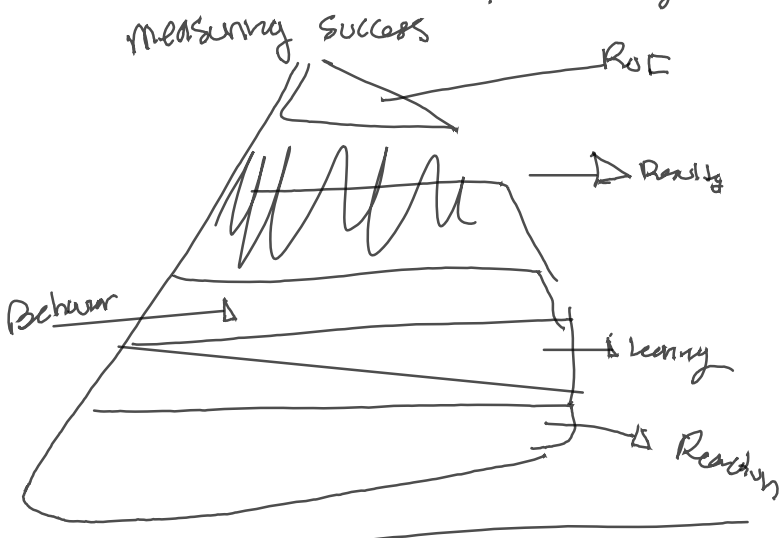
Motivation: Goals, Incentives

Ability: training → Reduces turnover, easier to train them, recruit → ↑ Productivity

Adline model

① Analyze ② Design ③ Develop
④ Implement ⑤ Evaluate

Measuring success



GROW model

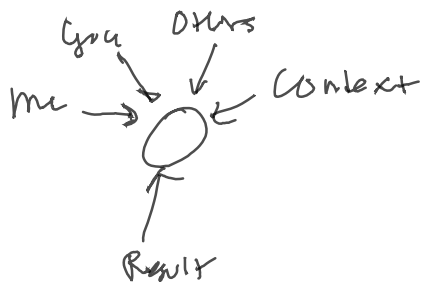
Goal → our goal

Reality → current situation

Options → Explore options

Will → what will you do? When will you do it
How will you know you have been successful

The contribution System



How to structure difficult conversation

① Start with the 3rd story

② Propose mutual understanding & Problem Solving as your purpose

③ Listen from inside their story

④ Share your story with clarity
Express what you see
Why you see it
How you feel
Who you are

⑤ Problem

Steven Bednar lecture

- English common law — assume 1 year contract
- the industrial revolution — Emergence of the American Rule of At will employment

☆ unique to USA

Procedure

1) time 2) Reason 3) cause 4) notice 5) formality

eroded in all 50 states since WW2

why?

- jobs have more than wages now
  - Health care — Retirement — child care

Exceptions to the "At-will Rule"

common law

- originates from judges

↓

wrongful termination

firing only

statutory exceptions

- originates from legislatures
  - title 7

Beginning to end

Utah → implied contract (1) preemployment statement

expressed

implied contract

1. Process of performance management
   1.) Setting performance expectations
   2.) measuring results
   3.) providing feedback
   4.) and rewarding or correcting emp perf.

Common Biases
- Leniency/central/strictness Tendency
- Halo / Reverse Halo
- grouping
- contrast
- Recency

Progressive Discipline
1. Informal verbal warning
2. formal verbal warning
3. written warning
4. suspension

Org structures

4 "I" of transformational Leadership

- Character "Idealized"
- Caring "Individualized"
- Challenging "Intellectual"

"Inspiring"

Interaction

Character

functional HR
Fin

Divisional P1
P2

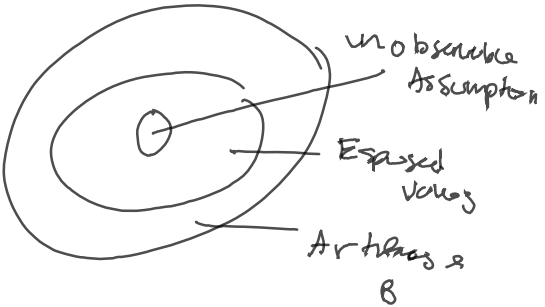
Hybrid HR
P1

Matrix

Heads ...

T1 ——

T2 ——



Ethical lapses

- Ill conceived goals
- motivated blindness
- indirect blindness
- slippery slope
- overvaluing outcomes

Fraud triangle

Lewins 3 stage model

Unfreeze	change	refreeze
urgency	Empower	ensure the change become permanent
coalition	small wins	
vision	continue momentum
